COMMUNITY SUPPORT SERVICES (CASE MANAGEMENT)

A NEW PERSPECTIVE ON WELL-BEING

WHAT IS CASE MANAGEMENT?

Case Management is a collaborative process of assessment, planning, facilitation, care coordination, evaluation and advocacy for options and services to meet an individual's and family's comprehensive health needs through communication and available resources to promote patient safety, quality of care, and cost-effective outcomes.

The Community Support Services Program at **Renaissance Behavioral Health** offers individualized patient care for both substance use and mental health disorders.

Case management services are often necessary for individuals with complex personal backgrounds or clinical histories. Our qualified mental health specialists, coordinate communication between doctors, therapists, counselors, and social workers to ensure that you or your loved ones therapeutic, medical, or social needs are met.

Our specialists provide case management services across the greater Cleveland Area, both on an in-person and with minimal sessions provided remotely. We provide behavioral health, addiction case management, and other services for individuals with a variety of concerns and needs. We encourage you to contact us to schedule a consultation to learn more and to find out how we can help seamlessly coordinate your care or the care of a loved one.
